✓ Bengaluru Tech Summit 2025 Exhibitor Portal – Easy Guide for Exhibitors

This guide will help you use the Bengaluru Tech Summit 2025 portal step by step.

🔒 1. How to Log In

- Go to: <https://bengalurutechsummit.com/portal/login>
- Type your **Email ID** and **Password**

- Click the **Sign in** button
 - If you forgot your password, click **Forgot Password** to reset it
-

2. Dashboard Overview

The screenshot shows the Bengaluru Tech Summit 2025 dashboard. On the left, there's a sidebar with navigation links: Dashboard, Application Info, Important Documents, Exhibitor Directory, Registrations, Extra Requirements, and Sign out. The main area has a header with the Bengaluru Tech Summit logo and a breadcrumb trail: Dashboard / Dashboard. Below the header, there are four cards: Exhibitor Name (green icon), Booth Number (red icon, showing 'Not Assigned'), Stall Type (blue icon, showing 'Startup Booth'), and Stall Size (green icon, showing 'Booth / POD'). Under 'Your Registration Passes', there are two boxes: 'Premium Passes Allocated' (0 Used / 1 Total) and 'Exhibitor Passes Allocated' (0 Used / 2 Total). Each box has a 'Click here' link for registration. The 'Your Action Items' section contains a table:

Sr. No.	Action Item	Status	Action
#1	Directory Listing	Pending	Complete Now

- After logging in, you will see:
 - **Booth Number**
 - **Stall Type and Size**
 -
 - You can also
 - See how many **Team Passes** (Exhibitor) are given to you
-

3. Application Info (Form Details)

The screenshot shows the Bengaluru Tech Summit 2025 application dashboard. On the left, a sidebar lists navigation options: Dashboard, Application Info (which is highlighted with a red arrow), Important Documents, Exhibitor Directory, Registrations, Extra Requirements, and Sign out. The main content area has a header with the Bengaluru Tech Summit logo and a registration date of 2025-06-10. Below the header, the 'Application Info' section displays the application number TIN-BTS2025-EXHST-451. The 'Company Details' section contains the following information:

Billing Country:	GST Compliance:	GST Number:
India	Yes	
PAN Number:	TAN Number:	
	Not Provided	
Company Name:	Company Address:	Postal Code:
City:	State:	Company Contact/Landline No:
Bengaluru	Karnataka	
Company Email:	Website:	

- This section shows your **Application Number**

Example: **TIN-BTS2025_EXHST_**

You can also see all the details you filled out during the registration form:

- Company name
- Contact person
- Stall size and type
- Other information submitted

4. Important Documents

The screenshot shows the Bengaluru Tech Summit 2025 dashboard. On the left, there's a sidebar with links like Dashboard, Application Info, Important Documents (which has a dropdown arrow pointing to 'Important Documents'), Exhibitor Directory, Registrations, Extra Requirements, and Sign out. The main area is titled 'Dashboard' and shows several cards: 'Exhibitor Name' (green circle), 'Booth Number Not Assigned' (red circle), 'Stall Type Startup Booth' (blue circle). Below these are sections for 'Your Registration Passes' (Premium Passes Allocated: 0 Used / 1 Total) and 'Your Action Items' (Sr. No. #1, Action Item: Directory Listing, Status: Pending, Action: Complete Now). A black arrow points from the text 'Important Documents' in the heading to the 'Important Documents' link in the sidebar.

Go to the **Important Documents** section to get:

1. **Exhibitor Manual**
 2. **Portal Guide**
- Click the name of the document to **view or download it**
-

abc 5. Exhibitor Directory

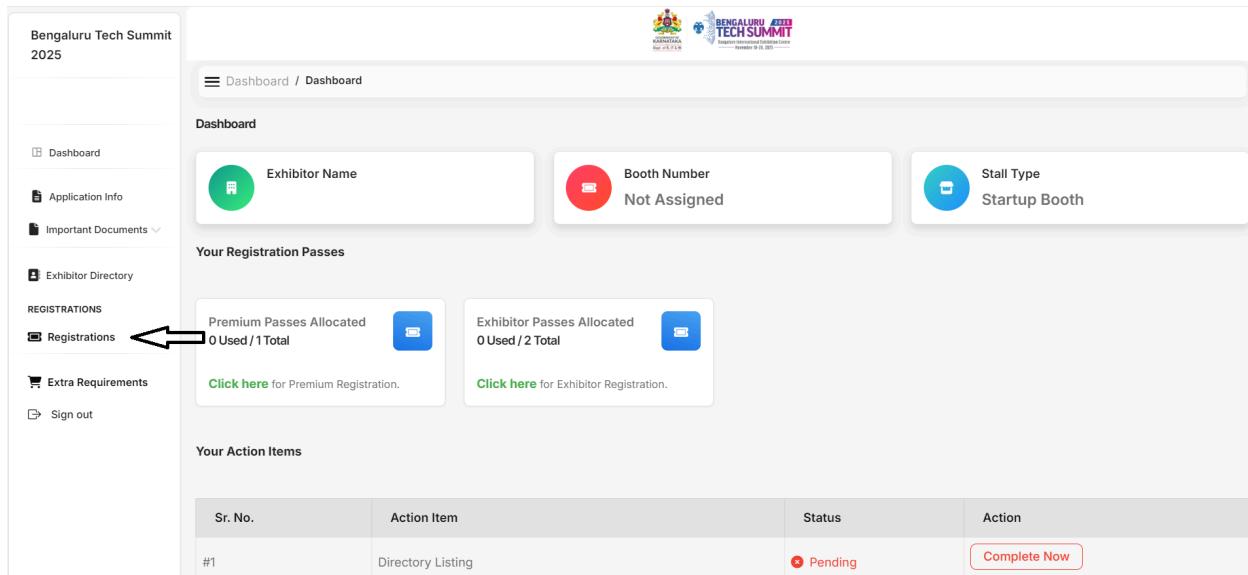

The screenshot shows a web-based application for exhibitor registration. The left sidebar displays navigation links for 'Dashboard', 'Application Info', 'Important Documents', 'Exhibitor Directory' (which is currently selected), 'Registrations', 'Registrations', 'Extra Requirements', and 'Sign out'. The main content area is titled 'Exhibitor Directory - Startup Innovation Zone'. It contains several input fields: 'Name of the Exhibitor (Organisation Name)' with a red asterisk, 'Booth Number', 'Name for Fascia (Fascia name will be written on Stall)' with a red asterisk, 'Note: For Shell scheme stall only.', 'Sector' with a red asterisk (set to 'Cybersecurity'), 'Contact Person Salutation' (set to 'Dr.'), 'Contact Person First Name' with a red asterisk, 'Contact Person Last Name' with a red asterisk, and 'Contact Person Designation' (set to 'SDE TLP'). The top navigation bar includes a 'Dashboard / Exhibitor Directory Information' link and a three-line menu icon.

- **Organisation Details:** Enter your company's registered name and booth number (if allotted)
- **Fascia Name:** Provide the name to be displayed on your stall fascia — usually the same as your organisation name.
- **Sector:** Select or enter your startup's sector (e.g., Cybersecurity).
- **Contact Person:** Fill in the salutation, first name, last name, and designation of the primary contact.
- **Location Details:** To ensure accurate processing, please enter your city, state, country, and ZIP code in the designated fields provided — not in the text area.
- **Note:** Ensure all mandatory (*) fields are completed.

6. Exhibitor Directory – PDF Preview

- **Purpose:** This section allows exhibitors to preview their submitted directory information before final submission
 - **Preview Display:** Shows a formatted PDF version containing organization and contact details such as name, designation, mobile, email, address, website, and profile
 - **Verification:** Exhibitors should carefully review the details for accuracy and completeness in this preview
 - **Navigation:** Use the on-screen controls to zoom, scroll, or move between multiple pages of the preview
 - **Actions:** Use the Download button to save a copy or Close to return and make corrections if needed

7. Registration

- **Exhibitor Summary:** Displays key details such as Exhibitor Name, Booth Number, and Stall Type assigned for the event
- **Registration Passes:** Shows the number of Premium and Exhibitor Passes allocated and used. Users can click on the provided links to register and download passes
- **Action Items:** Lists pending or completed tasks required for participation, such as Directory Listing
- **Status Indicator:** Displays the current status of each action item (e.g., Pending or Completed)
